

PHILOSOPHY AND GENERAL STATEMENT TO PARENTS/GUARDIANS

NEISD believes that school performance and future success are enhanced by appropriate dress and good grooming. Parents/Guardians are strongly urged to work closely with the school to ensure student's adherence to these standards. Parents/Guardians are encouraged to enforce moderate hairstyles and high standards of dress for their students, which at some campuses include standard attire such as uniforms. Parents/Guardians will be serving the welfare of our students and helping us as educators by emphasizing standards of neatness, cleanliness, safety, and decency in dress and grooming. The Dress Code is in effect for students while attending school functions or school sponsored activities on or off school property. Exceptions to this for certain school-related events are determined by each campus administrator.

Schools adopting a school uniform may have standards that exceed the District's dress code stated above. In addition, the dress code rules and regulations will be more restrictive in an alternative educational program.

For safety and security reasons, campus principals, at their discretion, may set individual school procedures that restrict the use of backpacks or require students to carry only clear or mesh backpacks.

A review of dress and grooming policies will be made periodically and changes will be made as needed.

While it is inevitable that there will be differences of opinion as to the appropriateness of dress, grooming, and/or determining whether or not a student's attire is disruptive or distracting to the educational environment of the school, the final determination will be made by the building principal. Any student who does not comply with the dress code will be removed from the regular school setting until the student complies with this code.
